SENIOR SOJOURN

This year's Senior Class burst onto the high school scene in the fall of 1960 with hopes of setting the world on fire. They haven't done quite that, but they have made a name for themselves that will be remembered for many a year to come.

Taking advantage of the fact that they were the largest class in high school, they elected their freshman candidate -- the Homecoming Queen--a feat never before or since equalled by any class.

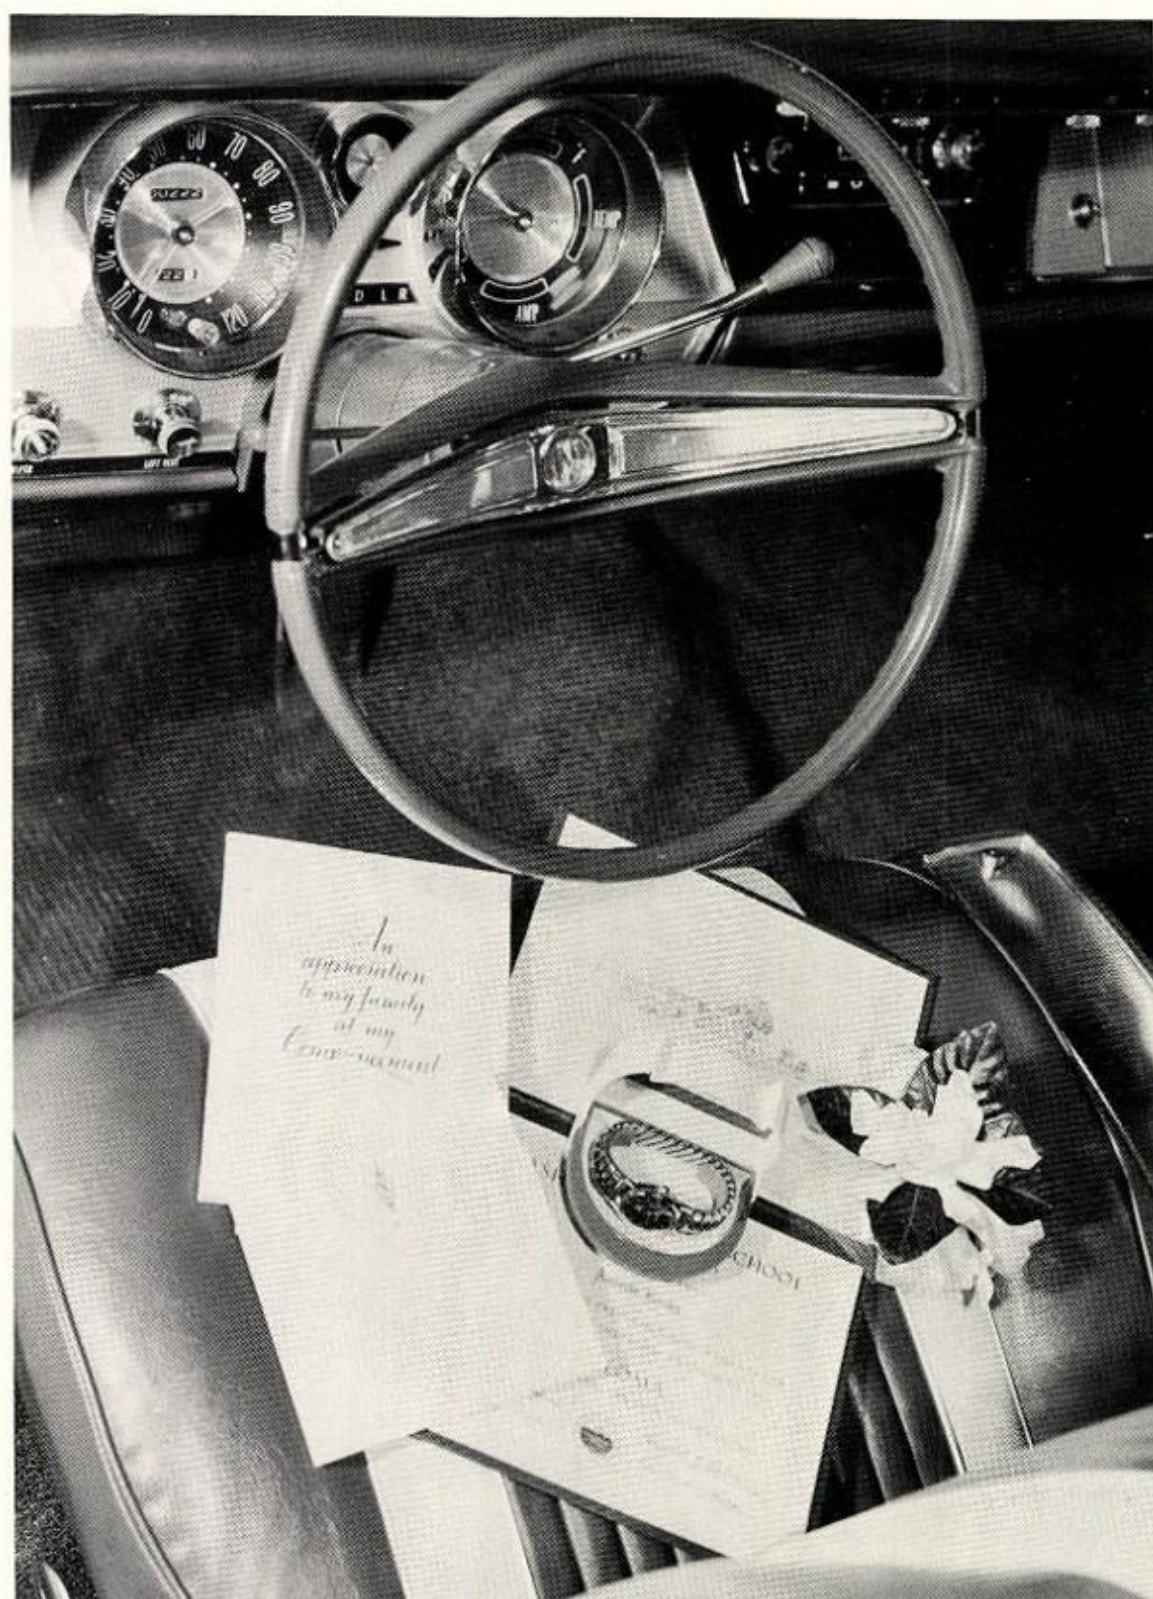

Their sophomore year marked the construction of the "H" on Downing Mountain which is now traditional of freshman initiation. Also, they began the year under the new administration.

The Class of '64 really came into its own in its junior year. The football team, made up mostly of juniors, fought its way to a dark horse conference co-championship with Loyola of Missoula. The basketball team, headed by juniors, ended the season by placing second in the divisional tourney.

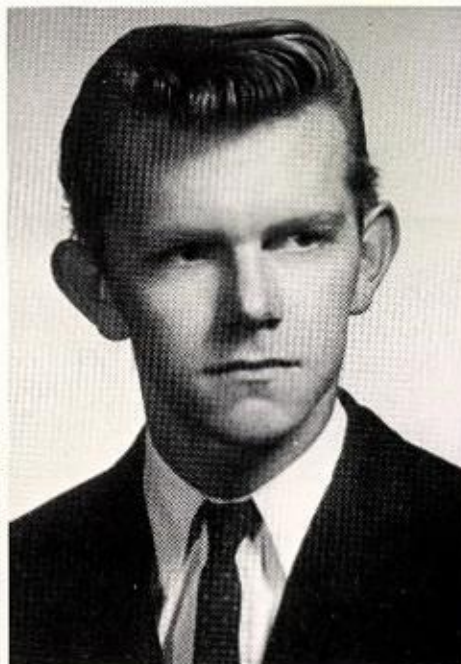

The junior class showed its academic prowess with two of its members receiving letters of commendation for their high scores on the NMSQT. The junior year was climaxed by a successful Junior Prom that was accorded to be the best some had ever seen. But the Class of '64 didn't stop there. During the summer, the Boys' State delegates met at Dillon as one of the most active delegations which helped elect Pat Collins the Secretary of State. Girls' Staters, too, received a more thorough knowledge of our government from their sessions at MSC. Working as a page in the United States House of Representatives, Michael Dowling spent the summer months in Washington, D. C. learning the procedures of our national government.

In '63, the football team was led to its championship in the new Western Montana Class A conference. After this, a Senior Barn Dance was staged that will probably never see an equal. The Class of '64 has been the object of a social experiment this year in releasing the seniors from study halls. Under the leadership of the senior students, the school organizations have progressed with greater efficiency and speed.

With the success achieved in the past to guide us in the future, we are assured of outstanding citizenship in tomorrow's ever changing world.

The seniors have now attained the top of the ladder of secondary education. Twelve years of hard work have made this possible. Now, as they make plans to set the world on fire, the underclassmen are wondering what they will do without them. They have well earned the title of "Senior" since they have far outdone previous years in all their undertakings.

THE STUDENT COUNCIL

Student Council became a more powerful organization this year by controlling the scheduling of events of the assemblies, freshmen initiation, a clothing drive, and the sale of movie discount tickets. In a quest for funds to meet its growing expenses, the council proposed an amendment to its constitution which would tax all the school organizations on their profit-making activities. However, the 10% tax issue was rejected by a student body vote. A student advisory board, represented by every school organization, was set up to give clubs a clearer voice in student affairs.

The energetic paper staff, working to put out a special Christmas edition of the Hamiltonian, also sponsored the annual popularity poll, renamed the HHS Hall of Fame. As a member of the Montana Interscholastic Editorial Association, the Hamiltonian delegation helped our school to be re-elected vice president of that organization.

THE DILIGENT HAMILTONIAN STAFF

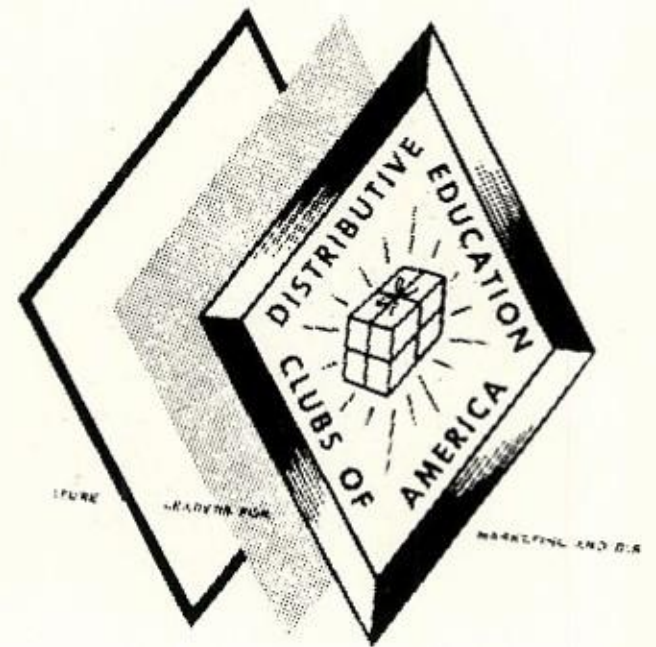

F.H.A.

Under the direction of Mrs. Betty Nason, the Future Homemakers of America initiated a busy money-making program and brought their organization into the limelight more than ever before. The energetic FHA'ers took up the project of supporting two Korean orphans. With this intent, style shows with a variety of themes were staged, and car washes were organized. Mrs. Nason literally ran her FHA girls ragged in preparing dinners and other projects to support their two orphans. The homemakers managed to have the district FHA Convention at Hamilton, another highlight of the year.

D.E.C.A.

A Hamilton chapter of the Distributive Education Clubs of America was established this year under the sponsorship of Mr. Donald Ferguson. The organization is composed of members of the distributive education class which requires on-the-job training in retail establishments. The new group has sponsored several money raising affairs, in its role as a prospective leader at HHS. The DECA Club has purchased a large display case for exhibiting the merchandise of many local stores.

The Speech Club after a good start last year, returns with an experienced nucleus. With good depth provided by sophomores and freshmen this looks like a good year for the group. Mr. Wahl, its sponsor, has been working hard with the members and has arranged for a meet here at HHS. More meets and a larger membership point to a much improved speech group. This year's officers are S. Hefty, President; and J. Biles, Secretary-Treasurer.

SPEECH CLUB

THESPIANS

A new spotlight for drama was purchased this year by the Thespians. It has been a great addition to the plays. Their fine work on the plays and operetta have helped produce smashing successes at every turn. Next thing we know they'll be writing their own plays! This year's leaders are: B. Kennedy, President; R. Greenup, Vice-President; and S. Case, Secretary-Treasurer.

GIRLS ATHLETIC ASS'N.

The Girls Athletic Association, newly formed organization for girls' sports, is under the guidance of Miss Erickson, girls' physical education instructor. It provides our more ambitious girls with organized team sports and physical improvement activities. This year's officers include: H. Ahlgren, President; J. Hitchcott, Vice-President; L. Kaul, Secretary; and C. Macho, Treasurer.

FUTURE TEACHERS OF AMERICA

Future Teachers of America which was organized last year in HHS, is still a young group. This group helps students understand teaching careers. To let the students get a closer look at college, they sponsor an annual Career Day, in which college students "report." This year's officers are D. Bush, President; K. Kohl, Vice-President; and Mary Andersen, Secretary.

LIBRARY AND VISUAL AIDS

Guided by Mrs. Ellen Crupper, the librarians have had a particularly active year, having moved their facilities into the larger capacities of the combined library-study hall.

Those who worked in the Audio-Visual Aids department at HHS found headquarters for their group in the A. V. room of the library. These boys who worked with Mr. Ferguson operated the sound and projection equipment for the school.

WESTERN CLASS "A" CHAMPIONS

In their first year in the new Western Division of Class A football, the fighting Broncos walked away with the crown. The Broncos, sparked by the leadership of the eight fine Seniors on the squad, ran and tackled their way to an 8-0-1 season. This was the first undefeated season for the Broncos in 15 years. This made two football titles in a row for the gridiron men, who tied for the Southwestern Division football crown last year. The Broncos were scored on in only 4 games for a total of 32 points while the high flying Broncos racked up 261 counters. With almost the same team back next year we can look forward to yet another championship.

WITH APPRECIATION

The students of Hamilton High School wish to express their gratitude to Mr. and Mrs. Dean Vinal for their years of service at HHS. Mr. Vinal has headed the band groups for the past thirteen years, and Mrs. Vinal has directed the choral program for the same length of time. The Vinals have sponsored operettas, cantatas, special ensembles groups, festivals, and annual concerts which have increased the reputation of Hamilton's Music Department. Thank you, Mr. and Mrs. Vinal, for your years of assistance and loyalty to the Hamilton community.

FROSH GET ACQUAINTED AT BIG & LITTLE SISTER PARTY

The annual Big & Little Sister Party was sponsored by Girls' Club. It was held in the Multi-purpose room in the early fall. The purpose of the party, a costume and picnic affair, is to help freshman girls get acquainted with the upperclassmen. This year the theme was "TV characters." This was carried out by clever costumes and plays, as pictured below.

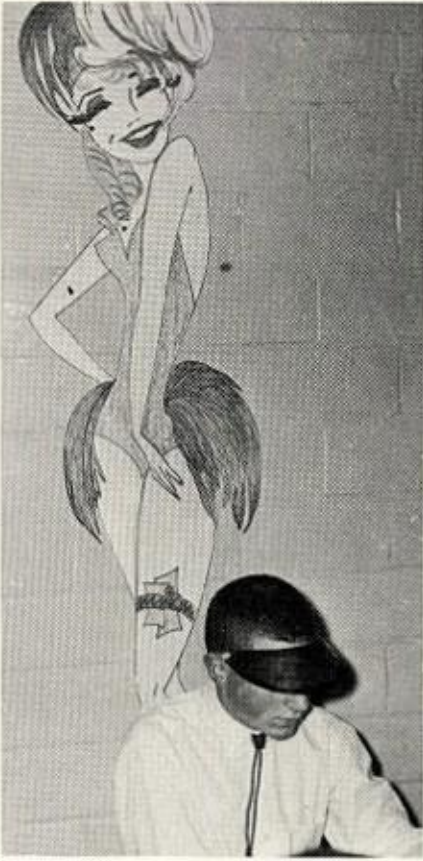

QUEEN KARLA

HOMECOMING HIGHLIGHTS FOOTBALL

The long-planned Homecoming activities came to a climax on October 18 when cheerleader Karla Johnson was crowned queen of the annual affair. The court was presented at the football game, which the Broncs won by defeating the Deer Lodge Wardens 41-7. Adding to the spirit of Homecoming was the HHS band with its halftime show, "The Space Age Comes to Hamilton." The game was preceded by a snake dance and followed by a school dance.

TENNIS TEAM

An excellent turnout of underclassmen for tennis points to a fine team in years to come. This year they had only one match and no faculty coaches, resulting in a loss to a Missoula County High Squad.

The annual Student Council Carnival was held in the new gymnasium and the multipurpose room and foyer. There were more varieties and more booths than ever before. Because of the larger area, booths such as the roller coaster and the dunking stool were possible as well as successful. The seniors elected Sheryl Jones, queen of the carnival in the penny vote.

STYLE SHOW HUGE SUCCESS

A unique innovation of the annual Girls' Club style show was the modeling of several styles for boys. The 35 girls and three boys who displayed the styles from eight local merchants attracted the largest audience ever for the affair which was held at the Elk's Club.

The models ushered in the summer at their April 27 exhibition with clothing ranging from evening gowns to swimming suits. During the intermission, refreshments were served to the audience.

The style show has been a yearly event and has been a main source of money for the Girls' Club to finance a delegate to Girls' State. The added attraction of men's styles appealed to the male portion of the audience and it might even become a customary event in the future.

Three models: Nancy Collins in her lounge wear from Irene's; Sue Stoenner in her black evening sheath from Irene's; Patty Osburn in her two piece swim suit from Frank's.

Queen Gale Breen, and her court. Princesses Luana Kaul, Pam Branton, and Eleanor Tibbs. Crownbearers Patricia Swanz and Brian Schreckendgust.

"STAIRWAY TO THE STARS"

JUNIOR

PROM

The Junior Prom was held in the new gymnasium on the evening of May 16. The theme was "Stairway to the Stars" being accented by an enormous stairway in the center of the floor. The mural was a solar system of the stars. Orтели's Orchestra provided the music.

PREMIERE OF

"MY BEAUTIFUL VALLEY"

CLIMAXES MUSIC SEASON

Finishing a successful year of performances in concerts, an operetta, and festivals, the Hamilton High School music department staged its annual Pop Concert on May 19. One of the final social events of the school year, the concert was held in the new gymnasium under the Junior Prom decorations.

Mrs. Dean Vinal directed the three choral groups, the girls' chorus, boys' chorus, and concert choir, in three numbers apiece, all of which were light and well-known tunes. During the intermission that followed, refreshments were served at the tables for the spectators.

The second part of the program was occupied by the hand numbers, directed by Mr. Dean Vinal.

A special number was selected by the Vinals for the finale entitled "My Beautiful Valley", seemingly an appropriate preference for us Bitterrooters. The song, which was written by Mr. Marion L. West of Eureka, Montana, and arranged by Mr. Vinal, was presented by the combined choruses and band. Mr. West, who is just a part-time composer, was present at the concert to hear his composition which was well-received by the audience.

The traditional finale number, "Battle Hymn of the Republic", was directed by Mrs. Vinal.
